

HEADPHONE EARPADS

Don't Just
Listen To Music,
Experience It.

Are You Listening To Music The Way You Should?

Your old, beat-up ear cushions are negatively affecting the sound performance of your headphones.

From basic replacement pads to custom models we use high-quality memory foam, wrapped in the finest leathers to bring you an enhanced listening experience.

**Block Out The Noise. Dial In The Sound.
Drift Off Into The Beats**
